**K.S. RANGASAMY COLLEGE OF TECHNOLOGY, TIRUCHENGODE - 637215**

**Department of Electronics and Communication Engineering**

## RUBRICS FOR MINI PROJECT

**Register Number :**

**Name of the Student :**

**Course Code & Name :** 60 EC 504 & Microprocessors and Microcontrollers

**Date:**

**Year / Sem: III/ V**

| Standards | Exemplary (4) | Good (3) | Satisfactory (2) | Poor (1) | Score |
|---|---|---|---|---|---|
| **Problem Identification and Analysis** | Detailed problem analysis and proposed solution. | Good explanation of project need. | Average explanation of project need. | Minimal explanation of project need. | |
| **Objectives, Methodology and SDG Alignment** | Clear objectives, systematic methodology, and justified SDG alignment. | Defined objectives, suitable methodology, and relevant SDGs. | Partial objectives, unclear methodology, and limited SDG justification. | Poor objectives, incomplete methodology, and no SDG alignment. | |
| **Hardware Design and Interface Implementation** | Modular design with suitable framework and cost-effective implementation. | Suitable modules and framework with limited justification. | Inappropriate framework and less cost-effective design. | No modular design or defined methodology. | |
| **Demonstration, Testing and Response** | Effective demonstration with justified answers. | Good demonstration with clear answers. | Partial demonstration with incomplete answers. | Poor demonstration and inability to answer questions. | |
| **Teamwork, Contribution and Documentation** | Excellent contribution, coordination, and documentation. | Good contribution and coordination. | Limited contribution and coordination. | No contribution and poor coordination. | |
| | | | | **Total Score** | |

**Name and signature of the Evaluator**
